Brand Clay

- ## MARK ANATOMY
-  **Outer embrace arms**
Bold Clay strokes — the app boundary, private wall around the family space.
 -  **Inner fold arms**
Softer Ember strokes — the family itself, warmer and closer inside.
 -  **Base cup**
Arms meet at base forming a cup — a nest, a cupped hand, the holding space.
 -  **Five family dots**
Largest = grandparent root. Two mid = parents. Two small = children cradled.

ALTERNATIVE

Private. Personal. Family.

ALTERNATIVE

The space only your family shares.

ALTERNATIVE

Everyone you love, in one fold.

BRAND VOICE

- **Warm, not sentimental**
Speaks like a trusted family member ■ honest, present, caring. Not saccharine.
- **Private, not cold**
Privacy is a gift, not a warning. Frame as: "a space only yours", not "no strangers".
- **Simple, not dumbed-down**
Writes for the grandparent; the teenager will follow. No startup vocabulary.
- **Timeless, not trendy**
Prefer: hold, share, together, fold. Avoid: ecosystem, seamless, frictionless.
